## CATERING

We have been catering for festive occasions for over 16 years, and we are pretty good at it!

When food comes from outside, it should be easy - and at Restaurant Raakilde, catering is a breeze, because everything is ready to serve.

The cold dishes, salads and side dishes are beautifully presented on platters and in bowls, while the hot dishes come in warming boxes and only require a few minutes of slicing before serving.

See menu suggestions here:
